In addition to 2 bedrooms, this split-plan home includes a sunroom, currently used as a 3rd bedroom. Immediately upon entering this stunning home you're greeted with Vaulted Ceilings, Exposed Beams, a magnificent stone fireplace, and LOADS of natural light pouring into every room. The ample master bedroom includes his & her walk-in closets as well as an en-suite bathroom. The kitchen boasts all Stainless Steel Appliances, solid-surface counters, gorgeous glass & ceramic backsplash, built-in pantry, and a large breakfast bar which opens into the dining room. High quality wood laminate flooring covers the main living spaces, with carpeting in the bedrooms. The sunroom/3rd bedroom opens to the Expansive backyard- perfect for families, pets, and entertaining with plenty of room for all your toys! The large concrete pad out back could be used for additional seating with space for a grill and/or outdoor fireplace, or put in a basketball hoop and have your own backyard basketball court! **ROOF REPLACED MAY 2021 **A/C REPLACED NOV 2022
